Chapter Information

The Mid-Atlantic Chapter of Professional Geriatric Care Managers, Inc. is part of a national association of practitioners from both public and private sectors. We represent Delaware, Maryland, Virginia, West Virginia, Pennsylvania and the District of Columbia.

Our goal is to provide those who are aging with chronic illnesses or disabilities with guidance, appropriate resources and care planning to promote their optimal social, psychological and physical well-being. We encourage independence and autonomy. As GCMs we strive to ensure the highest quality and cost effective services. Our goal is to reduce the stress for family caregivers.

Our association is committed to providing the highest quality of care for the elderly and their families in the Mid-Atlantic region through education, advocacy and high standards of practice.
